

W.I.N.G.S Home Ministry is a non-denominational Christian Maternity Home, located in the Durham Region. We offer pregnant homeless teenagers a safe, comfortable and loving home while they are pregnant up until their baby is 6 months old. We serve these young mothers by providing many of the essential services to become healthy, successful parents, from basic needs, offering them the opportunity to become a part of a family each girl has their own private bedroom, we provide, clothing, and all the essentials for them and their babies. We help to find the resources for parenting and life skills education. We encourage them to complete their High school diploma and help them find employment.

What is the Purpose?

Every day Pregnant girls find themselves homeless and struggling to find a safe place to rest, eat and sleep. W.I.N.G.S. Home provides a loving, Christian home to these girls. The CHANGE a life Baby Bottle Fundraiser Campaign, provides a source of revenue for our Home, and gives you the opportunity to partner with us in a very tangible way. This helps us to buy all the essentials that we need to provide new moms and new babies diapers, formula clothing, as well as helping us with the practical expenses that are incurred with running our home, groceries, & general household bills and repairs.

We are still in the process of getting our Registered Charitable Number so at this time cannot issue a tax receipt.

HERE IS HOW IT WORKS!!

Call us at 289-314-2705

We will deliver the baby bottles to you just let us know how many you will require.

If it could be announced and put in your bulletin, encouraging the congregation to take bottles home and to return by end of each week for the month of the campaign.

At Home: Place bottle in a visible place as a reminder to pray for W.I.N.G.S. and the Salvation of every new mom, then as God leads you put your pocket change into the bottle and return to the church.

We will collect the bottles and count the change and will inform you of how well the campaign did.
